There is a surplus of revenue that is going towards funding local bridge projects. Jody said our bridges are in pretty good shape, so we will have to see if it will benefit us or not. We are waiting for our audit to be finalized until Finance Director Pam Peterson can roll the 2020 figures forward and give a budget update. We will be starting 10-hour days next week and the crew will be working five 10's on the MDOT system until road restrictions are lifted. Jody completed the offer on the Moss Lake pit and got an estimate for drilling test holes. Jody had a meeting with Senator McBroom regarding the deer issue and McBroom will get back to him in 2-3 weeks.
